Additional Files Required

The following installation files are needed to complete your download folder.
The files must be saved to this location:

C:\Users\wiecz\OneDrive\Dokumenty\SOLIDWORKS Downloads\SOLIDWORKS 2018 SP03

After downloading, return to the Installation Manager and click **Next**. All links expire within 24 hours.

Download these files:

- Download solidworkscore1of2.exe (1423 MB)
- Download solidworkscore2of2.exe (1194 MB)
- Download Toolbox_ansi_inch.exe (49 MB)
- Download Toolbox_ansi_metric.exe (15 MB)
- Download Toolbox_as.exe (15 MB)
- Download Toolbox_bsi.exe (14 MB)
- Download Toolbox_cisc.exe (1 MB)
- Download Toolbox_din.exe (37 MB)
- Download Toolbox_gb.exe (54 MB)
- Download Toolbox_is.exe (18 MB)
- Download Toolbox_iso.exe (26 MB)
- Download Toolbox_jis.exe (33 MB)
- Download Toolbox_ks.exe (37 MB)
- Download Toolbox_mil.exe (2 MB)
- Download Toolbox_pem_inch.exe (6 MB)
- Download Toolbox_pem_metric.exe (6 MB)
- Download Toolbox_skf.exe (3 MB)
- Download Toolbox_torrington_inch.exe (2 MB)
- Download Toolbox_torrington_metric.exe (5 MB)
- Download Toolbox_truarc.exe (1 MB)
- Download Toolbox_unistrut.exe (15 MB)
- Download edrawings.exe (182 MB)
- Download flowsimulation.exe (432 MB)
- Download plastics.exe (298 MB)
- Download swelectric.exe (216 MB)
- Download swcomposer.exe (566 MB)
- Download visualize.exe (981 MB)
- Download cam.exe (400 MB)
- Download eDrwAPISDK.exe (1 MB)
- Download apisdk.exe (1 MB)
- Download swdocmgr.exe (44 MB)
- Download CheckForUpdates_sldCheckForUpdates.exe (5 MB)
- Download VCRedist9_vcredist_x86.exe (4 MB)
- Download VBA_vba71.exe (5 MB)

- Download SQLServer_sqlserver.exe (302 MB)
- Download SQLNativeClient_sqlncli_2012_x64.exe (3 MB)
- Download swactwiz.exe (9 MB)
- Download VCRedist9_vcredist_x64.exe (4 MB)
- Download VCRedist12_vcredist_x64.exe (6 MB)
- Download WPT_wptx64-x86_en-us.exe (12 MB)

Notes:

- Do not extract or run any of these files manually after downloading.
- These files may need to be accessed later from the download folder for changes or upgrades. Do not delete or move these files.
- The download folder may be shared. Other users can run the Installation Manager from this folder (sldIM\sldIM.exe) to avoid downloading these files again.
